(c) *Scope.* This part applies to member banks of the Federal Reserve System, to national banks in process of organization, and to state banks applying for membership. for membership under section 19(h) of the Federal Reserve Act, 12 U.S.C. 466.¹

§ 209.2 Banks desiring to become member banks.

(a) *Application for stock or deposit.* Each national bank in process of organization,² each nonmember state bank converting into a national bank, and each nonmember state bank applying for membership in the Federal Reserve System under Regulation H, 12 CFR part 208, shall file with the Federal Reserve Bank (Reserve Bank) in whose district it is located an application for stock (or deposit in the case of mutual savings banks not authorized to purchase Reserve Bank stock³) in the Reserve Bank. The bank shall pay for the stock (or deposit) in accordance with § 209.4 of this regulation.

(b) *Issuance of stock; acceptance of deposit.* Upon authorization to commence business by the Comptroller of the Currency in the case of a national bank in organization or upon approval of conversion by the Comptroller of the Currency in the case of a state nonmember bank converting to a national bank, or when all applicable requirements have been complied with in the case of a state bank approved for membership, the Reserve Bank shall issue the appropriate number of shares by crediting the bank with the appropriate number

(2) *Board determination.* If the location of a bank as specified in paragraph (c)(1) of this section, in the judgment of the Board of Governors of the Federal Reserve System (Board), is ambiguous, would impede the ability of the Board or the Reserve Banks to perform their functions under the Federal Reserve Act, or would impede the ability of the bank to operate efficiently, the Board will determine the Federal Reserve District in which the bank is located, after consultation with the bank and the relevant Reserve Banks. The relevant Reserve Banks are the Reserve Bank whose District contains the location specified in paragraph (c)(1) of this section and the Reserve Bank in whose District the bank is proposed to be located. In making this determination, the Board will consider any applicable laws, the business needs of the bank, the location of the bank's head office, the locations where the bank performs its business, and the locations that would allow the bank, the Board, and the Reserve Banks to perform their functions efficiently and effectively.
